

North Star Jewelry Supply

Welcome to North Star Jewelry Supply, a new and inspired bead boutique in North Boulder, by the award winning Angie Star Jewelry . We offer endless choices of unique beads and stringing materials, as well as custom classes at reasonable rates to get you started!

North Star Jewelry Supply is owned and operated by Angie Olsgard, founder of Angie Star Jewelry on 18th and Pearl Street, downtown Boulder, Colorado. Angie Star Jewelry has been voted Best of Boulder in jewelry every year since 2004, and is nationally known for unique one-of-a-kind locally made custom jewelry.

North Star Jewelry has just opened its doors to teach and inspire budding new jewelry artists, as well as the "old pros" who know a good thing when they see it!

The ladies of North Star Jewelry Supply offer small hands on classes in everything from Basic Beading to Metalsmithing. Our classes are perfect for those carving to get started, as well as accomplished artists who are seeking to grow their skill set.

We offer a detailed list of classes to choose from, and will schedule a class at any time you choose! Simply look through the list of classes, pick the one you want, and give us a call at North Star to save the date. You are invited to bring up to two friends with you, at no extra cost!

One of our most popular classes is the Parent-Kids Class. Make a play date with your kids, get some delicious tea and cookies from Spruce Confections next door, and learn to make some fun jewelry!

Other services at North Star Jewelry include: Jewelry Repair, Custom Bridal & Bridesmaids Jewelry, Jewelry Refreshing (update old family pieces into something new and fabulous!), and Custom Jewelry Design.
